Speckled Grey - Ceramics by Elle Maxwell

Ceramics

Speckled Grey is a small artisan business run by ceramicist Elle Maxwell. Elle creates colourful and tactile ceramics and lighting. She makes and carves each piece by slip casting with smooth Parian porcelain. Her work enhances interior spaces with its soft and vibrant aesthetic and glowing hand-carved textures.

Large Mugs: £38, Medium Mugs: £33, available at <https://www.speckledgrey.com/shop>

Artist Bio

Alongside running her business, Elle has worked for several years in the wider ceramics industry. She is traditionally trained as a delftware painter at Isis Ceramics in Oxfordshire and more recently joined the team of artisans at Sue Pryke's studio. Elle works across all of these roles whilst developing her own business and practice as a ceramicist.

Speckled Grey lighting collections have been installed for commercial projects at restaurants such as Costa Coffee and Nandos, and various hotels and offices in Europe. Elle has also exhibited her colourful wares at venues including Liberty's London, The Oxo Tower, and Yorkshire Sculpture Park.
